GENERAL MANAGER'S MESSAGE

We have so much to be thankful for as we enter the new year. Yes, the Covid-19 pandemic is still active and has required the Club, our Members, and our staff to adjust to a new normal way of life. We should be proud of our efforts as a group, to keep Ironwood safe and healthy overall. The World is experiencing Covid-19 fatigue, but we must stay vigilant in our practices and protocols to protect Ironwood.

As I reflect on 2021, we have accomplished so much as a Club. Nobody expected the "run" to Country Clubs that we experienced during Covid-19. We currently have 17 members on the wait list to join in a golf membership category and we continue to enroll new members in all membership categories. Member participation is up, and our financial position is strong. We continue to pay down debt, supply funds to capital, and build cash reserves.

2

We continue to maintain our assets, the list for this year includes:

- \$1.4 Million North Greens Renovation, funded through cash reserves
- Significant cart path repairs on both golf courses
- \$200,000 in well repairs
- \$350,000 in Bistro Patio expansion
- \$70,000 in tennis court resurfacing and fence painting
- \$108,000 in LED tennis court and pickleball lighting
- Plus, much more

Beginning January 1, 2022, the Club will once again offer a 401K match program for all qualified Ironwood employees. The Club has always offered a 401K plan but has not offered a match program since 2007. The Ironwood employees are incredibly grateful and are even more energized to work for such an amazing Club, with incredibly caring and generous Members.

Respectfully,

JOSH TANNER, CCM, CCE
Chief Executive/General Manager

2022 BOARD ELECTION NEWS

Notice of Regular Ticket was emailed on Friday, November 12, 2021.

The Nominees are Annie Milner, Charlie Sadoski and Russ Welsh. There were no Nominations by Petition. Nominee Background Information was emailed to Members on December 2, 2021.

Declaration of Election: If, after the close of nominations, the number of people nominated for election to the Board does not exceed the number of Directors to be elected, then, on the date set for the election—Monday, January 10, 2022—the Club shall declare that those nominated have been elected.

Advisory and Ad Hoc Committees Service: Applications are now being accepted for service on an Advisory and/or Ad Hoc Committee. Application forms are available at the reception desk of the main clubhouse. Applications will be given to newly appointed Chairs after the election and the Chairs will form Committees using the applications received. Anyone wishing to serve is required to complete an application form, **even if currently serving on a committee.**

In addition, please indicate on the form if you have interest in serving on the Ironwood Board of Directors sometime in the future.

WELCOME NEW MEMBERS!

We are happy to welcome the following new Members to Ironwood Country Club. Member contact information can be found in the Membership Directory on the website as memberships are activated.

EMPLOYEE SCHOLARSHIP FUND RECIPIENT

MIGUEL ZAMORA University of Mississippi

During my undergraduate education, I was studying to be a Physical Therapist. At the same time, I was heavily involved with the Student Recreation and Wellness Center. I grew professionally whilst navigating multiple positions. I was a student body representative and was the Aquatics Student Supervisor. I gained firsthand knowledge of operating and coordinating programs for the department. This was done alongside my education. As my role at the center expanded, my educational plans changed. I discovered that my true passion is working with and developing students towards self-success. In turn, this has motivated me to pursue a career and expand my knowledge in student affairs.

I am excited to announce that I will be pursuing my master's degree in Higher Education/Student Personnel with an emphasis in Student Affairs at the University of Mississippi. Additionally, I have accepted a graduate assistantship on-campus at the school's recreation and wellness center in Aquatics. I will assist with managing the center and working with the students. With this position, I hope to develop professionally, continue expanding my leadership abilities, and mentor students. I am passionate about helping first-generation students, like myself, navigate through college.

Thank You Ironwood, For Your Help.

HISTORY REVISITED

Dr Darcy Dill

You might have seen Dr. Darcy Dill (or Darcy as he likes to be called) in the Fitness Center or the driving range or riding around on his electronic unicycle. He is the embodiment of the healthy lifestyle he preaches in his classes.

He was born in Edmonton, Alberta, Canada and raised in Medford, Oregon. He attended the University of Oregon, and graduated with a BS in speech and English, and is a proud Duck. He got his teaching certificate but ended up teaching Transcendental Meditation instead of high school teaching.

He became a teacher of Meditation in Mallorca, Spain, and taught

hundreds of people how to gain peace and tranquility through meditation while he was living in Oregon. He then went to work at the headquarters of the International Meditation Society in Seelisberg, Switzerland. There he personally worked with Maharishi Mahesh Yogi teaching and administering courses worldwide. Meditation has always been a big part of Darcy's life as he has been doing it regularly for over 50 years.

Darcy decided to become a chiropractor in 1979 and went to Chiropractic College in Atlanta, Georgia where he got his doctorate in 1983. He then purchased a church building in South Georgia, near St. Simons Island, and converted it into one of the largest clinics in the area. He had 12 staff members including doctors, nutritionists, and physical therapy assistants on his staff.

After he sold the clinic in 1999, he went back to his meditation roots. He joined Transcendental Meditation Monastery, composed of 70 celibate monks in the North Carolina Mountains, near Boone, North Carolina, where he stayed until 2001.

Rested and refreshed after his monastic life, he bought a dude ranch in Estes Park, Colorado with two other partners. It was called Aspen Lodge and was the largest ranch in the Colorado Dude & Guest Ranch Association. It was on 83 acres and had the largest log lodge ever built at one time. It also boasted 24 cabins and, of course, a fitness center. The ranch had over 100 employees, mostly in the summer, but they stayed open in the winter despite the cold weather. When they first started, they had 17 horses. When Darcy sold in 2009 they had 70 horses after operating the ranch for 10 years.

In 2006 Dr. Dill created **Body Friendly Golf** and wrote a book about it. It is a program that combines Body Work, Gym Exercises, and Driving Range Exercises. Since

publishing the book he has taught at PGA West, Black Butte Ranch in Oregon, Oregon Community College, and of course, Ironwood. He has worked with a wide range of golfers from beginners to seasoned PGA Pros, some who have won the Schwab cup on the senior tour.

In 2011 Darcy met Jack Demorest at a chiropractic clinic where he was working in Palm Desert. Jack introduced him to Josh Tanner, Mike Oberlander and Amy Krishka. They were impressed with his background and skills, and he began doing chiropractic body work and teaching golf fitness classes at Ironwood. His classes have been going on Tuesdays and Fridays in the Fitness Center and on the driving range for the last 10 years. He loves working at Ironwood, because of the great Members he's met over the years, and the outstanding facilities.

Darcy lives a happy life with his longtime partner Marie here in the Ironwood complex. She is the administrator of a very successful golf school in Riverside. They enjoy an active lifestyle playing golf, pickleball and tennis. They travel mostly in the summer and are at Ironwood the rest of the year. He loves meeting new Ironwood Members and getting to know them. His book is available at the Fitness Center. Stop by and take one of his classes, or just say hi.

If you want to learn more about Darcy and his programs here is his web page: bodyfriendlygolf.com

Ken Martin	Best round 84 South
Jeffrey Howard	Shot 1 under his age on his Birthday

THROUGH THE GREENS

Happy Holidays & Cheers To The New Year!

Ironwood has made many advances in new irrigation technology over the last year. Did you know, each sprinkler on the golf course can be controlled remotely from a smart phone or tablet? Adjustments in precipitation rates, sprinkler data, and water percentage of evapotranspiration rates are ways that make golf courses some of the most efficient users of water. Now, while in the field, these adjustments can be made on the spot.

Recently, an upgrade in water controls telemetry was also made at Ironwood. While on site, or using remote technology, we can now monitor the well pumps including pressure and water flow. We can monitor and control lake levels and manage the irrigation pumping stations. The new system will even text and email staff if there are any problems or irregularities. Having the ability to log in to these systems has made everything more efficient and gives us peace of mind that everything is running properly while we're away.

Other advancements in our field are happening at a very rapid pace as well. We recently converted to a digital task board. The North and South crew each have flat panel digital display at the maintenance facility. Online, managers give tasks and directions to each employee where they can see what is in store for them each day. They also can log on to the digital job board on a smart phone or tablet. Being able to access this information while out in the field limits mistakes and unnecessary trips to the shop. It also allows us to track and record progress each day for referencing back into the past.

In the future, advances in GPS guided technology as well as robotics will certainly become a major factor in golf course maintenance. With the current labor situation that we all face, it cannot come soon enough.

NATHAN GLASER

THE HOMECOMING COUPLES GOLF TOURNAMENT

Sunday, January 16

8:30 am Shotgun / South Course

Mixed Couples will play two best balls of the foursome.

Entry Fee: **\$145** per couple

Entry deadline: January 14th

Sign-up via ForeTees.
Choose your own twosome,
or the Golf Staff will do it equitably.

GOLF NEWS

With the arrival of the new year both North and South Courses are in exceptional condition. Our new greens on the North are rumored to be challenging players of all abilities. Their speed and firmness present an opportunity for you to manage your game a little bit differently than your previous North Course golf.

The speed of the greens is going to remain, so what can you do to better your score? Practice comes to mind. Your golf score is mainly dependent on how you perform on the greens. You should dedicate yourself to spending more of your practice time to the short game scoring shots. Even if you just spend 15 minutes a day practicing, make at least 10 minutes of it chipping and putting. If you only are on the practice range to warm-up prior to playing, hit a ball or two then head to the practice green!

Ironwood's short game area at the South end of the range is a great place to hang out as it offers practice areas that, if you dedicate yourself to them, will change your score for the better. The south putting green is purposely designed to have very little slope. Here is where you can repeat your stroke time after time after time to improve your consistency. A great drill to achieve better control of your speed and distance control is to put three balls on the green. Putt the first ball to a close hole, second ball to hole further away and the third ball to a hole even further away yet. Then repeat. The purpose of this drill is better your speed control which will pay dividends on our new greens.

If you need work on reading greens and practicing breaking putts, the practice green near the clubhouse is the place to hang out. With more slope on this green, you are better able to work on your alignment and starting the ball rolling on the proper line for a breaking putt. Need an assist? Grab one of our Pros and get them out with you for a short game lesson or go out on the course with a Pro to work on the area that has been giving you fits.

Knowing the Rules of the game always works to your advantage. One of the Rule changes from a few years ago that might save you is Rule 13.1d. If you, your opponent, or another player in stroke play accidentally moves your ball or ball-marker on the putting green there is no penalty. You must replace your ball on its original spot or in the case of the ball-marker, replace a ball-marker at that original spot. Accidentally moving your ball could mean during address, or it could be during marking your ball or replacing it after marking it.

A little reminder on bunkers and placement of bunker rakes. Ironwood follows the recommended USGA procedure. After raking a bunker, please replace the rake outside the bunker in a line parallel with play of the hole. In following the USGA recommendation on rake placement there are fewer rules situations that could occur.

Enjoy your courses and Play Ready Golf!

MIKE OBERLANDER, PGA

Director of Golf

PRO'S CORNER

The Power Of Positive Thinking

The one thing that I constantly remind myself when I am practicing is to **visualize** the shot before I go through my routine. What I focus on is a **positive** outcome.

How do we accomplish this?

The next time you are practicing a certain shot, stand about five feet directly behind your ball. Make sure you are on a direct line to your intended target.

Now take a deep breath and exhale. With your eyes open **visualize** the shot that you are trying to accomplish. Whether it is a 2-foot putt, or you are hitting a shot over water... **think positive!**

6

You will be amazed at how this simple approach can pay huge dividends in being a more consistent golfer. Plus, you will be a lot happier with the new **vibes**.

Enjoy,

CHRIS GUTIERREZ

Golf Professional

IRONWOOD MEN'S CLUB (IMC)

The Ironwood Men's Club (IMC) season is already in full swing. There is no better way to meet new Members and reunite with others that you have not played with in a while. Just sign up.

How to sign up is simple. Go to the ForeTees app on your phone (my favorite) or on the Ironwood website. Look for the "Golf Events" tab. The IMC events are under the dark green headings. This includes Monday Golf, almost every Monday. Wednesday is the typical IMC event day. You can sign up two weeks in advance for most events and 30 days for major events.

A recent IMC events on December 1st was a Scramble Ramble where on every fourth hole the one designated player's ball counted, net, plus the best net of the other three players. The winners of the 1st flight were Mike Peyton, Cal Collins, Thomas Peltola, and Bob Farmery. Winners of the 2nd flight were Bob Iglehart, Russ Welsh, Mike Flood and Dale Vogel.

The event on December 8th was a 3 Format event. A scramble, a shamble, and a better ball of the 2-man teams. Prizes were awarded for gross and net winners. The net winner's 1st flight was John Fitzgerald Jr, and Lee Muse, 2nd flight: Michael Lach and John Howarth, and 3rd flight, Nelson Hester and Larry Abbott.

Photos not available.

The event on December 15 was a Stableford Best 3 Balls on each Foursome versus field scoring event. The 1st place winners were Mike Peyton, John Howarth, Russ Welsh, and Tim Adams.

As a reminder, please post your own scores, accurately and on the same day for all events. Hope everyone had a safe and happy holiday.

MIKE SPANIER

IMC Communications

December 1 / Scramble Ramble: 1st Flight, 1st Place
Mike Peyton, Tom Peltola, Cal Collins, and Bob Farmery

December 1 / Scramble Ramble: 1st Flight, 2nd Place

(not shown) Bob Iglehart

December 15 / Stableford Limited Club Winners:
Mike Peyton, Tim Adams, Russ Welsh, and John Howarth

WGI

"Let It Snow, Let It Snow, Let It Snow"

Well, the WGI December Guest Day didn't bring snow but it ushered in the holiday spirit of friendship, camaraderie, and good cheer.

The "3-2-1 Blast-Off" theme set the tone for a spirited match complete with nearest to the pin and longest putt contests. Sandee Smith and her committee did an outstanding job from the format and the glove and warm Pashmina tee prizes enjoyed by all.

Chef Mark warmed a chilled roster with his great soups and holiday themed lunch. And of course, the Pro Shop staff and course maintenance crew provided us once again with a Club to be proud of and course the envy of all.

Thanks to all for making the day a great success.

December Guest Day / December 9 3-2-1 Blast-Off Fore the Holidays

Holiday Party Perfect / December 8th

The Bistro and Bistro Patio were aglow this year for the annual WGI Holiday Party. Guests were met with complimentary champagne, the brilliant Christmas Tree and club decor setting the scene for a wonderful evening of celebration and friendship. Chef Mark once again set a new high with the delicious passed hors d'oeuvres and food stations and the dessert centerpieces. Yummy all around.

Holiday Treats!

Looking Ahead

January promises to be another busy event full month with both Member and guest events on the calendar.

President's Cup / January 11th - 13th

This is always a fun event. The format is Match Play of five nine-hole matches over the three days. The Pro Shop will match the teams via computer into five flights with 12 players in each flight. Luck of the draw!

There will be a horse race for the flight winners following the finishing match on Thursday, January 13th with No Host lunch and Awards to follow. Sign-ups close January 11th.

This one promises to be WILD!

Safari / January 18th / Guest Day

Kris Adams and her committee are planning a "Swinging Safari", so sign up before January 6th and get your safari and animal outfits ready. The event leads off with breakfast at 7:00am and ends with a Zebra Drop cocktail after golf. Lunch (who knows what's in store with this theme) and awards after golf.

NINERS

Happy New Year Niners!

Our holiday season was in full swing during the month of December, though we did have a low turnout for a couple of play days due to poor weather conditions, we made up for those with a spectacular Holiday Brunch on December 7th on the West Patio followed by a Step Aside Shamble. Co-chairs Chrissy Armstrong and Janet Smith put together a delicious menu complemented with lovely table decorations of pine boughs, silver ornaments and blue table linens.

Staying in the holiday spirit, we had a surprise visit from the big guy himself, "Santa," a.k.a. Russ Blomberg along with elf helpers Jeannie Blomberg, Lee & Evonne Muse. Santa handed out presents with "elf assistance" and wished all a very "Ho-Ho-Ho Merry Christmas!"

Holiday Party Mix & Mingle

Holiday Brunch Menu

Holiday Table Decorations

Surprise Visit from Santa!

(left to right) Evonne Muse, Russ Blomberg, Jeannie Blomberg and Lee Muse

Following the festivities our general meeting was led by President Mia Montpas. She was delighted to say that our membership now stands at 102 strong! Because there are more Members than ever before, we need to watch the calendar and sign-up for events and or play days as soon as registration opens. Also, when you do sign-up, we need you to show up as you have taken a prized spot that is now no longer available to other Members; late minute cancellations also disrupt the Pro Shop's ability to organize teams prior to play.

One future event Mia wanted everyone to be aware of is on January 4th, a 1:00pm SG on the North followed by a General Meeting **after** golf with a complimentary wine/ beverage! Sign-up!

Chair Mia Montpas

December 7th / Step Aside Shamble

1:30 SG North Course / Winners were as follows:

- | | |
|--|----|
| 1st Gross | 38 |
| Kari Pena, Evonne Muse, Marney Billings, Kate Lach | |
| 2nd Gross (tie) | 41 |
| Sue Gross, Sally Demetre, Robin Landry, Jen Iglehart | |
| 2nd Gross (tie) | 41 |
| Janet Nagler, Pat Abott, Linda Pierce, Pat Schumaecker | |
| 2nd Gross (tie) | 41 |
| Cindy Foote, Barbara Reynolds, Cyn Shapiro, Guin DeJarnett | |
| 2nd Gross (tie) | 41 |
| Mimi Jones, Cathy Pepler, Bev Fitzgerald, Jeannie Blomberg | |
| 2nd Gross (tie) | 41 |
| Mia Montpas, Joy McIntosh, Sherrie Baker, Nancy Bloom | |

NINERS - continued

On December 2nd, the Niners hosted Indian Ridge. We had four foursomes; two Indian Ridge members paired with two Ironwood Members on each team. The day started with a "meet and greet" and light breakfast followed by a 9:00am SG and lunch on the patio. It is always fun being an ambassador of Ironwood and meeting other ladies from our local community. Thank you, Barbara Reynolds, for organizing this fun event! We look forward to playing at Indian Ridge on January 4th.

Winners of the Indian Ridge Exchange 2 Best Balls of Foursome Net

1st Cynthia Shapiro, Barbara Reynolds, Candace Bethke, Dawn Dennison 65

2nd Evonne Muse, Gail Lipke, Judy Marks, Berneil Mroz 68

November 30 / 1:00pm SG South / Odd/Even

1st Gross 64

Sally Demetre, Colleen Hardy, Janet Smith, Polly Hester

1st Net 44

Priscilla Sibson, Brenda Massucci, Beverly Fitzgerald, Janet Salk

2nd Net 46

Sharon Saxe, Elisa Peltola, Kristine Egger, Shelley Dubois

3rd Net 48

Barbara Reynolds, Peggy Sidor, Zoanne Landry, Janet Salk

UPCOMING EVENTS:

January 4th / 1:00pm SG North

followed by General Meeting AFTER golf with wine/beverage!

January 4th / Indian Ridge Exchange at Indian Ridge

January 11th / 9:30am / Winter Chipping & Lunch

January 18th / New Member reception at Cathy Peppler's
Formal invitations to be sent

January 22nd / Couple's Twilight Golf and Dinner

Happy Golfing!

MEN'S BRIDGE

**Every Monday, Tuesday & Thursday
In the Men's Locker Room**

Games start at 1:30pm and last about three hours. Basic bridge conventions are the norm with some players more experienced than others, but you will play at your level with other players.

Sign-up on Friday for the following week for one, two or all three days by responding to an email.

If interested, email **Bruce Korter**
Bkorter@gmail.com or call

503-9807-9188.

IRONWOODIES

November and December found the Putters out on the course! No rain delays, a bit warm in the beginning, changing to sweater weather the last session before Christmas.

Our holiday lunch was a great success. Many thanks to all those responsible. We were 28 strong then and continue to grow.

Last but not least, your intrepid reporter scored six holes-in-one!

We look forward to welcoming new Members in 2022. Bring your friends, guests welcome. We will resume putting in early January.

For now, from all putters, wherever they may be, Merry Christmas and a Happy New Year!

TENNIS & FITNESS CENTER

WHAT IS FASCIAL STRETCH THERAPY?

It Is Way Beyond Stretching

Fascial Stretch Therapy is based on original research, neuroscience, and emerging new discoveries in Fascia. It is a Special and Specific technique that addresses the nervous system and joint capsules to help our muscles (that are surrounded by Fascia) to function better, to relive pain, and minor structural issues of the body. When the body operates in the correct structural manner, athletic performance (such as golf and tennis) will automatically improve.

Benefits include:

12

- ◆ **Improve Function**
- ◆ **Reduce Pain**
- ◆ **Enhance Athletic Performance**
- ◆ **Sleep**

Ironwood has been offering FST for over eight years now, with great success. If you are interested in learning more about it, call the Tennis & Fitness Center to schedule your first session.

AMY KRISHKA, BA, CPT, CFST
Ironwood Sports Director

CURRENT TENNIS & FITNESS CENTER COVID PROTOCOLS

- 1. Current State Mandate / December 15th - January 15th:**
Masks must be worn at all times while inside the building, regardless of vaccination status.
- 2. Member Key Fob access is temporarily disabled.**
- 3. Unvaccinated Members can use the outside fitness equipment and take classes online via the MyWellness app.**
- 4. All guests must be accompanied by a vaccinated Member and must show Staff a copy of their vaccination card each time upon entering the facility.**

VITAMIN B INJECTIONS!

Optimal Health Center will be on site in the Tennis & Fitness Center administering Vitamin B bi-monthly.

January 7th & 21st,
February 4th and 18th,
March 4th & 18th,
April 1st, 15th & 29th

2:30PM - 3:30PM
\$25.00

No appointment necessary, just show up!

GOLF FITNESS CLASSES

Dr. Darcy Dill

Chiropractor & Personal Trainer

Golf Fitness Classes are a unique blend of exercises performed in the Fitness Center and on the Driving Range that will make you a better golfer. They burn into your muscle memory the correct body movements (Fitness Center) and sequencing (Driving Range) that are required in an efficient golf swing. Learn the "Body Friendly Golf" warm-up that will immediately take three strokes off your game. No prior experience is required, and you can attend either or both of the classes in the same day.

Tuesday & Friday Classes

10:00 AM - 11:00 AM in the Fitness Center
11:30 AM - 12:30 PM on the Driving Range

Strength and Posture emphasis: Acquire the proper strength and posture to create more power in your golf swing. Develop considerable body turn that originates from the lower body to generate more power. Better posture will translate into more stability in and consistency in your ball striking ability.

Flexibility and Balance emphasis: Increase flexibility in your body for more distance and less effort in your golf swing. Better balance will not only create more stability in daily activities, but a free-flowing ability to swing the club with less effort.

Hi, my name is Travis, I am a new trainer here at Ironwood. I have been a trainer for nine years in the Coachella Valley and am very excited to be a part of the team.

My education and Certifications include TRX, CrossFit, Gymnastics and Olympic Training Coach. I use a wide variety of exercises to work on strength, balance, and coordination, while building lean muscle and burning fat. I love meeting new clients and building a plan together to help reach their goals. **Let's jump start this season together!**

KICK OFF THE NEW YEAR WITH THE NEW YOU! \$50

50-minute personal training appointment with Travis on

1:30PM

Group Exercise Studio

Then join the rest of the Happy Tappers at **2:30pm** for our regular Tap Class!

HAPPY NEW YEAR!

Season is in full swing, and the courts are busy. We have seen a huge increase in the Pickleball and POP Tennis participation. There is Drop-in play available six days a week for Pickleball and POP Tennis on Sundays. It has become apparent that we need additional pickleball courts.

I have received a bid from Franco's Tennis Courts to convert the Ball machine court (#14) to two more pickleball courts, bringing our total to six Pickleball and 11 Tennis courts. The additional courts will allow us to block more courts for our organized events and still have two courts available to reserve. We will get started on the conversion as soon as we receive approval from the Board.

With the increase in activity, it has become a challenge to get the courts washed every week. I am working with the company that does the court washing to try and lock in a time that works for them and us. Since the tennis courts are busy in the morning and the pickleball courts are busy in the afternoon, the scheduling is not as cut-and-dried as you might think. There is one company that does court washing in the Valley and hundreds of courts to wash. With that said, there may be times when the court you are on is not as clean as we would like, and this is usually because it was being used when the court washer was here. I hope to have this issue resolved before this Newsletter goes out. We may have to block courts during the day to make them available for washing.

The Black and White Ball was a tremendous success. (See pictures on the next page.) This will have been two events this year with record-breaking attendance! It is great to see the Pickleball Players and Tennis Players enjoying these events together. Once again, I would like to thank Jill Luft and company for all the behind the scenes work to make these events a success.

Look for these new additions on the January Schedule:

Monday 10:00amLadies Drop-in POP Tennis

Tuesday 2:00pmDrop-in Mixed POP Tennis

Wednesday 1:00pmPOP Tennis Clinic

Thursday 1:00pm.....Ladies 2.5-3.0 Drop-in Pickleball

Thursday 4:00pm.....Ladies Thursday Night Tennis (TNT)

Friday 1:00pm.....Men's 2.5-3.0 Drop-in Pickleball

The 1:00pm Drop-In Pickleball sessions for Ladies and Men have been added for those Members that find the 3:00pm groups a bit too advanced. The 1:00pm groups are a good place to start if you are just starting out or returning from injury.

Thanks for all your support.

MARC DuBOIS
Tennis Director

RACQUET NEWS - continued

Nothing says Christmas and joyful quiet like an old Black and White Holiday movie, right? Ok, I know some of you might say **boring**! But our Black and White Ball was anything but boring. Late in the afternoon of December 18th, over 50 Members decked out in their black and white best holiday sportswear gathered for a fun match of tennis and pickleball under the court lights!

It's exciting to see how racquet sports are growing here in Ironwood. We had 12 pickleball players and 40 for tennis.

14 After the match the festivities continued at the main clubhouse with holiday cheer and delicious hors 'd oeuvres. A special thanks to Chef and his crew for making our holiday event a memorable night.

During the evening, Tennis and Fitness Committee Chairperson John Fitzgerald shared information with the attendees about the progress of developing a master plan for the Tennis & Fitness Center. And we finished off the evening with some impromptu dancing!

This was the second in our new series of monthly social events for racquet sports which are being well received. In addition, a special thank you to all our Members who contributed to our toy drive for children in our area. Thanks to all who helped bring some joy to deserving children.

So, what will we have in store for you in January? Stay tuned for **"No Strings Attached"** on Saturday, January 15th, 2022. Join us for a pop tennis and pickleball extravaganza. Come at 8:30am if you are new to the sport or want to learn to play. Round Robin play begins at 9:00am. Bring your own racquet. More details to follow right after the first of the year.

You can always find racquet sports updates on our new bulletin board outside on the patio right next to the ice machine at the Fitness Center. Plus, there are great pictures from our events. Come see if we captured your smile.

Oops! Our apology to Tom Winkler as he was our 1st Place Winner in Pickleball for our November "All Roads Lead to Ironwood" racquet sports mixer.

Registration can be made online through the Ironwood website, the Ironwood App or at the Fitness Center. For more information and questions, contact any of these committee representatives:

Carolyn Kausler-Abbott / 403-560-9250

FOOD & BEVERAGE NEWS

Ironwood Members,

Thank you for your cooperation as we transition our Dining Room operations to follow Ironwood's updated Covid Protocols. Some of the biggest changes are online reservation methods, so please familiarize yourself with the Dining Room reservation system, and if you have any questions, please contact me at any time. Our Ironwood website is the best resource for current events at the Club.

I am very excited to introduce Matt's creative and eclectic beverage and wine list! Chef Mark is also at work showcasing his vegetarian and vegan culinary skills which will be highlighted on our a la carte menus.

For Spikes, we are offering elevated packaged craft beer, Cutwater and Villager pre-mixed cocktails, and hard seltzers to enjoy with you on the course. For a healthier juice option at Spikes, please try our Berry Smoothie and Green Giant Smoothie, both organic. There are so many gems in F&B, words cannot express my excitement!

With our new food and beverage items, we also have a lot of new team Members eager to have fun and take care of Members. Dining room staffing is almost where we need it to be, so we will be increasing reservation counts for a la carte and events accordingly.

Lastly, we are adding a Farmer's Market date on February 5th since it was so popular last year and make it a huge day event! We will have multiple vendors, music, wine stations, beer garden, food stations, and produce, desserts, and pre-packaged meals.

TALES FROM THE BAR

Matt Young, *F&B Service Director*

Cheers! Sláinte! Kanpai! ¡Salud!

It's time to ring the New Year in with something new and fun! The Bistro is adding new and coveted selections of your favorite libation. Whether it be Whisk(e)y, Tequila, Vodka, Gin, Rum, Wine or Beer, the new selections that we are bringing in are sure to intrigue. Bringing in such names sometimes isn't easy to do but we are working hard to make it happen! Names and rarities such as Jefferson's Ocean Aged Bourbon, Michter's 10 Years Aged Rye Whiskey, Kaiyo Mizunara Oak 43% Japanese Whiskey, Chateau Talbot Grand Cru Classe Bordeaux, Patrimony by Daou, O'Shaughnessy, Kistler, Tarantula Hill Brewing and so much more. These selections are just a snapshot of what we have planned be sure to be in the know and stop in for a dram and relax for a few.

GINA CARIAGA

Clubhouse Manager

MATT YOUNG

Food & Beverage Service Director

CHEF'S CORNER

Make your own little heart-shaped box filled with it wonderful chocolate truffles for your special someone on Valentine's Day.

Chocolate Truffles / Ingredients:

10 ounces bittersweet chocolate, chopped fine

3 tablespoons unsalted butter

1/2 cup heavy cream

1 tablespoon light corn syrup

1/4 cup brandy

1/2 cup cocoa powder, finely chopped nuts, and/or toasted coconut, for coating truffles

8 ounces semisweet or bittersweet chocolate, chopped fine

Directions: Place the 10 ounces of chocolate and butter in a medium size glass mixing bowl. Microwave for 30 seconds. Remove and stir and repeat this process 1 more time. Set aside.

Heat the heavy cream and corn syrup in a small saucepan over medium heat until simmering. Remove from the heat and pour the mixture over the melted chocolate mixture; let stand for 2 minutes. Using a rubber spatula, stir gently, starting in the middle of bowl and working in concentric circles until all chocolate is melted and mixture is smooth and creamy. Gently stir in the brandy. Pour the mixture into an 8 by 8-inch glass baking dish and place in the refrigerator for 1 hour.

Using a melon baller, scoop chocolate onto a sheet pan lined with parchment paper and return to the refrigerator for 30 minutes.

Place the cocoa powder, nuts, and/or toasted coconut each in its own pie pan and set aside.

In the meantime, place the 8 ounces of chocolate into a medium mixing bowl which is sitting on top of a heating pad lined bowl, with the heating pad set to medium. Depending on the heating pad, you may need to adjust the heat up or down. Stirring the chocolate occasionally, test the temperature of the chocolate and continue heating until it reaches 90 to 92 degrees F; do not allow the chocolate to go above 94 degrees F. If you do, the coating will not have a nice snap to it when you bite into the chocolate. Once you have reached the optimal temperature, adjust the heat to maintain it.

Remove the truffles from the refrigerator and shape into balls by rolling between the palms of your hands. Use powder-free vinyl or latex gloves, if desired.

Dip an ice cream scoop into the chocolate and turn upside down to remove excess chocolate. Place truffles one at time into the scoop and roll around until coated. Then place the truffle into the dish with either the cocoa powder, nuts or coconut. Move the truffle around to coat; leave truffle in the coating for 10 to 15 seconds before removing. In the meantime, continue placing the chocolate-coated truffles in the cocoa or other secondary coating. After 10 to 15 seconds, remove the truffle to a parchment lined sheet pan. Repeat until all truffles are coated. Allow to set in a cool dry place for at least 1 hour; or store in an airtight container in the refrigerator. Truffles are best when served at room temperature.

Golf Cart Parade & Holiday Dinner

The 2nd Holiday Golf Cart Parade on November 27th was the perfect way to kick off the holiday season. The Pro Shop team served as Grand Marshalls with Penny Leonard's green monster cart decked out in its holiday best with music and snow making. They deserve the Spirit Award!

Our judges had a tough job deciding on the Winners. Thanks go to Mike Oberlander, Donna Munson, Hayden Guerin and Willy Gatherum for their great efforts to choose the Winners.

16 La Quinta Brewing hosted the beer garden which was a big hit with the hundreds of spectators cheering us on.

The Grinch Cart from the Bergeron family won Best Overall cart design. Most Creative went to Marianne and Gary Ceriani for the "Hunting for Birdies" camouflage cart. Best Theme cart prize went to the Christmas-themed Milner/Evan's family cart. Most Outrageous Decorations was won by the Odland family with the disco theme. There was serious competition for the Best Dressed cart crew, but Lee and Evonne Muse took the prize. Gary and Carole Sisson won the Simple But Special award with their Merry Moosley Christmas cart. Best Special Effects was won by the Powers/McDonald family with a cart that bubbled over with holiday cheer. Bob Farmery received a prize for Honorable Mention as Most Overdressed. It probably helped that he was throwing Fireball shots to the crowd!

Thanks to Shelly Farmery AKA Mrs. Claus for Co-Chairing the event with Kelly Judd AKA Flamingle Bells.

Holiday Tree Lighting Dinner

"Golden Holiday"

Friday, December 10th

18

Fun was had by a festive crowd of 140 Friday night. With an amazing dinner served up by Mark and his Staff, the dancers hit the floor after a baked Alaska dessert with peppermint ice cream.

Members enjoyed a holiday sing-along of traditional Christmas carols. And guests took home a book for a child that they knew would enjoy a Golden Book, with the remainder donated to the Fire Station to give to deserving children. A great holiday party for the books, and the tree was lit and very festive.

Chair Heidi Peyton and husband Mike

Golden Holiday Dining Room

Mouthwatering Prime Rib

Other selections were Cedar Planked Wild King Salmon and Jidori Chicken Breast Normandie.

Festive Individual Baked Alaska for dessert

IRONWOOD CYCLE CLUB

On Saturday, December 4th, 22 riders of the Cycle Club rode Box Canyon out and back. They carpooled out to Mecca then rode the 31 miles and 15,000 vertical...15.5 miles up with a fun downhill ride back to the cars.

Pace line leader's photo

Rest Stop

IRONWOOD HIKERS

November 22nd / Art Smith Trail

Dennis Kvidera led a group of 12 hikers up and back on the Art Smith Trail. After a short drive South on Hwy 74, they hiked a little over two miles up with a nice elevation gain enjoying beautiful views of the surrounding area and interesting rock formations. A very special treat was they encountered quite a large group of Big Horn sheep! The sheep were crossing the trail as they were coming up and were quite close. They are such amazing, elegant animals.

November 29th / Pushwalla Palms Canyon

Denny Kvidera led a group of 14 hikers on the Pushwalla Palms Canyon trail.

On this date, hikers carpooled North of I-10 to an area just east of Thousand Palms Oasis and hiked a little over four miles. The trail took them high on a ridge for views of the North and East Coachella Valley and there they climbed among some rocks and walked amongst huge palms in a little oasis. This is a wonderful hike with varied terrains.

December 6th / Hike Lower Carrizo Canyon

Dave Alexander, shown below, sharing some of his extensive knowledge of our valley. Dave is our very own naturalist. An inveterate hiker of our valley and very knowledgeable of its geography and vegetation. It's always a treat when Dave leads a hike!

Hikers with
Dave Alexander

On the trail

December 13th / Magnesia Falls

Just a small group of six drove to Rancho Mirage for a short hike close to a small pool and a dry waterfall.

ARTISTS OF IRONWOOD

This has been a busy holiday season! Our December meeting was chaired by our President, Marty Tullio. She indicated we have more new Members, including Marty Mahan, Mary Barr, Sally Corey, Kim McCallum, Kit Wright and Christina Bloch. New Artists of Ironwood directories for this season may be picked up at the Clubhouse Front Desk. The directory includes directions to access the AOI website. Members should access the website or use the Ironwood Country Club app to make luncheon reservations for each meeting. The AOI website contains all of our information and is located on the Club's site under "Social."

20

Leslie Mortimer, Chair for the annual Art Show, indicated last year's show displayed 134 pieces of art. This year, we hope for even a larger show. The dates are February 17th-20th. This will be our 31st Art Show. The show takes **everyone's** assistance, so we all need to volunteer. Schedules will be passed around in our meeting for you to sign-up for a time to help out on those days. Everyone displaying art needs to sign a disclaimer form, available from JoAnn Nickerson.

Sandy Kalas, Enrichment Chair, plans to follow up with the Artist's Council at the Galen Museum to arrange for a possible tour of the new exhibition. The Galen is located near Cuistot Restaurant on El Paseo, right before Hwy 111.

In December, our Artists of the Month were Carolyn Strand, with her photograph of a cheetah, taken at the Living Desert. Our other winners were Terry French with her painting of a big horn sheep, and Joan Ryan with her display of a dog walk in the park. There was a question as to whether an Artist could win again this season by entering another piece of art in another category. Karen Bernthal stated that the AOI Board indicated that an Artist of Ironwood Member can win Artist of the Month only once per season for a piece of art.

Helene Bradley went to Camera West and met with Gary Faye. He worked for four summers with Ansel Adams. Photographers and artists can schedule a one-on-one meeting with him from 8:30 am to 9:30 am for \$125. Camera West is the best resource in the Valley and is located on Hwy 111 in Rancho Mirage.

On January 7th, Marc Glassman will speak to our group about photography and give us tips on things you can do with your iPhone. On our February 11th meeting, Erin Dertner will demonstrate oil landscape and finish her painting at the meeting. At our March 11th meeting, so far, no speaker has been finalized. At our April 1st meeting, Diane Morgan will show us when and how to use brushes. So, mark your calendars for these meetings.

Carol Williamson and JoAnn Nickerson encourage all Artists, regardless of experience, to attend the Monday afternoon classes led by David Farrington (oil) and Karin Harris (watercolor). Class runs in the West Dining Room from 1:00pm to 4:00pm.

Marty Tullio encouraged Artists who have the Old Towne Artisans eggs for Eggstravaganza, to get them to her as soon as possible.

Susan Gilbert offered her home at 49783 Desert Vista Drive, Ironwood, for our just-after-holidays party from 3:00pm to 5:00pm on January 16, 2022. Bring an appetizer. Thank you, Susan!
